SOUTH REQUESTS HALF OF MONEY TO BE DISTRIBUTED

money which they would like to have deposited in each city represented, and other details of the arrangement. In a statement issued to-night Secretary McAdoo announced that, as a result of the conference, the following plan had been tentatively agreed to:

Securities Acceptable.

"The secretary proposes to accept as security for deposits government bonds and high-class State, municipal and other bonds of unquestioned standing, and also prime commercial paper."

All government bonds will be accepted in full; all other bonds must be passed upon by the secretary, and when approved will be accepted at a per cent of their market value. All commercial paper offered must be passed upon by a clearing house committee, in each city, composed of five members of the clearing house association and one additional member, not a member of the clearing house, who shall be the special representative of the department. In sub-treasury cities, the sixth member of the committee shall be the assistant treasurer of the United States, resident in such city. In cities other than the sub-treasury cities, the representative will be some business man of high character and familiar with the local banks and financial conditions, designated by the Secretary of the Treasury.

"It is proposed that the commercial paper offered as security shall be deposited with one of the leading banks in the clearing-house cities to be selected by the secretary. The bank thus designated as custodian of the commercial paper will be required to give bonds for its safekeeping in some surety company satisfactory to the department."

"It is proposed that one-half of the amount allotted to each bank will be deposited with that bank in the month of August; the other 50 per cent in September. Of the funds deposited, 25 per cent shall be returned by December 15, 25 per cent by January 15, and the remaining 25 per cent by March 1. Some of the bankers present expressed a desire to turn the entire deposits over before January 1, and all agreed that the whole amount should be returned not later than March 1."

A second conference was held this afternoon at each bank. The plan was discussed and the banks agreed to accept the plan. The plan was discussed and the banks agreed to accept the plan.

win. Really, and we will get it if it is right and I know we will not ask for anything that is wrong."

Following this the institute by a viva voce vote adopted a motion instructing the executive committee of the State Institute to take steps deemed necessary by it to secure a legislative information bureau as recommended in the annual message of the president.

Tenth Annual Convention.

The tenth annual convention of the Virginia State Farmers' Institute began at the city auditorium here this morning at 9:30 o'clock with about 250 visitors in attendance. The opening prayer was made by Rev. W. A. Cooper, pastor of the Memorial Methodist Church. The address of welcome was made by former State Senator Tom P. Hines, who spoke briefly.

This was followed by the annual address of President Westmoreland Davis, who was presiding.

The Bank and the Farmer.

Joseph A. Hurt, president of the Virginia Bankers' Association, was introduced by the president, and he discussed the subject of "The Country Banker and the Farmer." The country banker, he said, realizes the importance of standing in with the farmer. Most of the directors are farmers, and the cashiers, most of them own farms. We can make no success as bankers in the country unless we are in sympathy with the farmer. The country banker is a man who is in sympathy with the farmer.
